CALL FOR PAPERS

SPECIAL ISSUE

EARTH SCIENCES HISTORY

Symposium 3

Hidden histories revealed in scientific revision of palaeontological collections

Dear Colleagues,

Publication of papers from the **INHIGEO** sponsored symposium is planned as a Special Issue in the peer-reviewed journal **Earth Sciences History**.

If you intend to submit a paper for the Special Issue arising from your presentation at the symposium please send a preliminary title to the convener Kathleen Histon hiscat@interfree.it

Manuscript length: Maximum length: 15,000 words. Shorter manuscripts (~10,000 words) are welcome. No charge for B&W figures. There is a colour page charge of US\$100 per colour page.

All manuscripts will be subject to peer-review.

Submission Deadline: March 31st, 2023.

Proposed publication: 2024.

Instructions for authors may be found on the journal website <https://meridian.allenpress.com/esh>

Regards

Symposium conveners
